*Ocean Tomo Bid-Ask™ Market announces the auction of four U.S. patents and three U.S. trademarks for a no-lift-required lateral patient transfer system. This innovative technology enables efficient patient transfer while helping to avoid injury and discomfort to both caregivers and patients.*

Chicago, IL (March 31, 2021) Ocean Tomo Transactions, LLC will auction a portfolio of four U.S. patents and three U.S. trademarks for a no-lift-required lateral patient transfer system. The portfolio covers a motorized lateral transfer device (Magic Mover™) and a transfer/repositioning sheet (Magic Sheet™). The entire portfolio is available through the Ocean Tomo Bid-Ask™ Market, [auction lot 140](#). This innovative technology enables efficient patient transfer while helping to avoid injury and discomfort to both caregivers and patients. The invention benefits healthcare companies, hospitals, and medical device manufacturers. The Innovation Group Board of Managers reinforces the importance and economic value of this technology, [demonstrated in this video](#), sharing "caregiver injuries due to lifting patients is rampant. We want to help caregivers and institutions transfer patients without lifting, helping mitigate Worker's Compensation claims."
